

EXPERIENCE THE FLORIDA LIFESTYLE OF HORSEBACK RIDING

With thousands of acres in public preserves, equestrian adventures are plentiful in Lake County. Local stables offer a full range of services including guided tours, lessons and professional training.

Horseback riding in this part of Central Florida is a delight for professional or novice equestrians because of the availability of open space and horse trails. With more than 150 miles of equestrian trails, horseback riders can enjoy a sedate trip through lakefront trails or an adventurous trek along a forest path.

While visiting Lake County be sure to stroll back in time to the horse-drawn era and experience more than 150 beautifully restored antique carriages from around the world at the Florida Carriage Museum Resort. The museum is one of many features at the 385-acre horse park.
