

# FRESH PRODUCE REIGNS SUPREME AT LOCAL FARMERS' MARKETS

To obtain fresh products directly from the farm, the ten farmers' markets in Lake County are super warehouses of good buys and great deals.

In addition to selling fresh fruits, vegetables and herbs, local farmers' markets offer a variety of other homemade goods including jams, salsas, infused oils and honey. Other typical items found in Florida farmers' markets are seafood and tropical plants.

Farmers' markets allow Lake County residents and visitors to have access to locally grown, farm fresh produce and homemade goods. In addition, many of the local farmers' markets are held in vibrant downtown districts that offer other shopping opportunities.
